MeHSIP-PPIF – Component 4

# KNOWLEDGE MANAGEMENT

22<sup>nd</sup> of Feb 2011

# MeHSIP-PPIF KM Objectives

**First:** Providing a **common understanding** on the Horizon2020 project pipeline;

**Second:** providing **transparent information** on project pipeline progress;

**Third:** stimulating **ownership** among partners and stakeholders; and

**Fourth:** creating **credibility** among counterparts about the process at the country level.

# MeHSIP-PPIF Approach to KM

Creating an **identity or brand** for the MeHSIP-PPIF under the Horizon2020 Initiative and

Creating a **one stop shop** for information related to Horizon2020 investment projects

Creating a **portal or gateway**

Advocating **ownership** among partner counterparts

Ensuring **cooperation** & Synergy among H2020 sub-groups

# MeHSIP-PPIF KM Tools

**Project Fact Sheet:** Created as a dynamic document updated regularly reflecting progress made on project maturity

**Country Fact Sheets:** Created as an information base on institutional/policy context; on Horizon 2020 Pipeline; and on key contacts at country level

**Participatory process:** applied at every level of our work to build a good portfolio of projects responding to country priorities

**Expert roster:** built as a network of regional and national experts and firms mobilized for H2020 investment projects

**Web based platform:** developed to manage and maintain the H2020 institutional memory in preparing investment projects.

# Horizon 2020
